Extra foot pressure adjustment to 6 levels	7 standard feet with machine – A,C,E,F,G,O,& R with stabilizer plate
Start/stop button (sew without a foot control attached)	

Knee lifter

The knee lifter bar fits into the front of the machine, it allows you to use your knee to lift the sewing foot while keeping your hands on your work. This feature is a favourite with quilters.

Triple wide angle white LED lighting

Offers greater illumination for all your sewing projects.

Automatic buttonhole foot with stabilizer plate

Uneven layers of fabric are no longer a problem. Simply attach Buttonhole Foot (R) into the Stabilizer Plate to ensure perfect buttonholes every time. Buttonhole Foot can be used without Stabilizer Plate.

Easy set bobbin

Simply drop your bobbin into the bobbin area, guide the thread through the channel and you're ready to sew without the need to pull up your bobbin thread.

User friendly LCD screen and 14 direct stitch keys, plus easy numeric stitch selection

Spend less time looking for your stitches and more time sewing.

Large extension table

Standard accessory with machine, provides extra support for all your quilting and sewing projects.
